15 READING
PLAN
WEEK

THE BOOK OF HEBREWS

Over the next several months we will be walking through the book of Hebrews each Sunday morning. Our Teaching Team has prayerfully put together this Reading Plan as a resource to accompany the weekly teaching.

Camping out in one area of Scripture for a length of time can feel mundane after awhile, but we know just how impactful it can be when done intentionally and prayerfully.

We invite you to dig in deep with us, asking the Lord to reveal more of His character and truth each day as you settle in to this portion of His Word.

- **SUNDAY**

Our Teaching Team will go through a section from the book of Hebrews. If you need to get caught up on any messages, head over to our Stonegate Fellowship YouTube channel.

- **MONDAY - FRIDAY**

Go deeper by following the Guide for each day's Scripture reading from the section that will be taught on the next Sunday. Most weeks will feature the same passage of Scripture on more than one day.

- **SATURDAY**

Catch up on any missed reading from the week and pray for tomorrow's message!

KEY THEME: *Jesus is better. "Jesus is the clearest, fullest, and most ultimate revelation of God, and he is worthy of total trust and devotion. Following Jesus means remaining faithful to him despite persecution because God will not abandon his people". Adapted from The Bible Project*

DIVING DEEPER

Before you begin, we encourage you to take some time to prepare so that you can get as much out of this text as possible. We've pulled several different resources we think will be very helpful both as you get started and as you continue on with the Reading Plan.

Whether you walk through this plan individually, as a family, or alongside Community, we hope the coming months are fruitful and transformative.

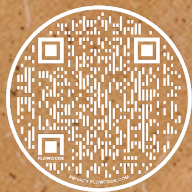

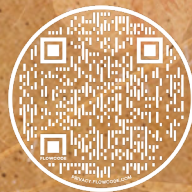

If you missed the kickoff message, head over to our YouTube channel to get caught up. This is also where you'll find all other messages as the series goes on.
